## **MISSION STATEMENT**

We are a multicultural congregation that proclaims the Gospel of Jesus Christ, Who saves, redeems, and reconciles the world to God.

Our purpose is to seek God's will by loving and glorifying God, loving our neighbors, being active disciples, and bringing others into fellowship with God; the Father, Son, and Holy Spirit.

## ***WE BELIEVE***

We know that faith expressed by each Christian strengthens other Christians. We share with others our experiences of God's intervention in our lives.

As a people who believe in the power of prayer, we pray together and offer opportunities to learn more about prayer.

Music is a powerful conduit through which the Holy Spirit inspires us. We take comfort in traditional hymns but we also offer many varieties of music to celebrate the diversity of our congregation.

We promise to nurture children in the Christian life when they are baptized; therefore, we volunteer to teach Sunday School and understand ourselves to be role models for the children in our church family.

We have learned through adversity that God is always with us and that the community of faith sustains us.

The Spirit of God is present in our worship service. We treasure both the traditions of our reformed faith and also new liturgies.

We are a family. We welcome each new person with joy. We share fun and meals. We grow spiritually by studying, working and praying together.

We acknowledge that God has richly blessed each one of us with many talents which we use to help others and to reflect God's glory.
